on earth, with confidence in our ability fully restored, the national eccatcheon untar-

rished and the American pame the syne nym of patriotic virtue. We condemn the administration of Grey er Cleveland as being false to its pledges, and hypocritical in its dealings. It has failed to keep its secred pledge of civil service reform, and upon which the pres secured his election; it has been false to its riends, its enemies, and false to itself; it hus divgraced the mational name by the distractor of its appointees in the diplo to service, and has disturbed the friendly relations beretofore existing between the United States and several foreign governments, notably with Mexico, our sister republic. It has appointed men to office for political subservictory and removed worthy on the government they so faithfully serv-ed. It in suited the patriotic feeling of the ple by its action on the pension laws and by itse ystematic efforts to belittle the patriotic services of our soldiers and seamen; it has shown an utter disregard for the wants of the people and by its vacillating and cowardly policy has failed to pro-

of the people demands.

That while the democratic platform 1864 landed the soldiers and sailors of the late war, and while said democratic party professed to appreciate those patriotic services, the democratic president, elected up on said platform, true to democratic duplicity, has persistently isbored to nullify in practice the patriotic theories advanced in said platform.
